NOTICE:

Pursuant to Section 9.7 of the Local 16 By-Laws, the Executive Board is posting its interpretation of Article A8.2(b) of the contract.

It is the position of the Officers and Executive Board of Local 16 that the Engineering Meal Period provisions of Section A8.2(b) of the Master Agreement, as opposed to the provisions of A8.2(a), apply to all production and post production situations and a first hour lunch is in violation of the contract.

Pursuant to Section 9.7 of the Local 16 By-Laws, this interpretation (and any Contract interpretation posted by the leadership) is binding on all members.
